DEVELOPMENT EXPERIENCE:

Renegade Squirrel: September 2017 - Present

Chief Technical Officer / Co-Founder

- Started a SAAS business providing voter data to grassroots political campaigns.
- Built entire system from the ground-up, incl. data import tools using C# .NET, data layer using SQL Server, and client application using ASP.NET MVC / Razor.
- Performed data analysis for clients using Microsoft Power BI Desktop.
- Generated revenue within six months after company founding.

Aeroflow Healthcare: January 2017 – April 2018

Web Developer

- Customized and managed high-traffic Magento e-commerce websites.
- Built marketing forms processing several thousand leads per day.
- Wrote unit tests using the C# Selenium Web Driver library.

Wells Fargo:

Infrastructure Application Technology: November 2015 – March 2016

Apps Systems Engineer 6

- Setup XMLHttpRequest/JS/SOAP system to feed data into a KendoUI Grid.
- Improved design of a Silverlight form to reduce complexity for users.

Human Resources IT: May – November 2015

Apps Systems Engineer 4

- Accelerated a critical export process from 50 minutes to less than 2 minutes.
- Replaced an outdated talent management system that used MS Access with a faster ASP.NET & Oracle solution.

Skanska USA: September – December 2014

Developer – Architecture & Development

- Re-wrote User Request Form which reduced page load times by 80% and extended compatibility to modern browsers.
- Wrote a tool to purge 28,000+ expired Active Directory user accounts.

National Board of Certified Counselors: June – September 2014

Web Developer

- Administered email marketing campaigns reaching over 50,000 recipients.
- Improved existing WordPress & other web sites with modern CSS & PHP.

McKesson Intelligent Coding: October 2013 – March 2014

Interface Analyst

- Managed multiple concurrent Sybase implementation projects.
- Facilitated inbound and outbound HL7 messages with client systems.

Century Furniture: 2010 - 2013

Web Developer

- Worked with CEO and Marketing Director to realize web marketing goals.
- Revamped existing web sites using ASP.NET, VB.NET and JavaScript.

OTHER WORK EXPERIENCE:

North Carolina Coordinated Campaign: 2016

- Managed over 75 volunteers and an intern.
- Built volunteer organization that registered over 500 new voters in Asheville.

Elyse Dashew for School Board: 2015

- Modified CSS & added custom JavaScript to 3rd party WordPress theme files.
- Setup hosting account, WordPress installation, and domain redirection.

County Political Party: 2013 - 2014

- Installed and configured custom WordPress site.
- Designed Mailchimp email templates for updates to party supporters.
